Remember all donations are tax deductible and an investment for success - helping us achieve our musical goals, while you
increase your local business exposure. The St. Augustine High School Band qualifies as a 501 © 3 non-profit corporation under
IRS guidelines. You will receive a letter from the Band Boosters after your donation has been received.

On behalf of the St. Augustine High School Band program - students, parents, and faculty - we thank you for your support!!
The St. Augustine High School Marching Yellow Jacket Band is composed of exceptional students participating in Marching Band, Color Guard, Winter Percussion, and Winter Guard. The time commitment required of these students is unparalleled to any other high school extracurricular activity. Band students devote hundreds of hours of work preparing, practicing, performing and competing, focusing on teamwork, discipline, leadership and perfecting musical skills. This intense preparation readies students for performing at football games, Concert Band, Marching competitions, FBA competitions, etc. The Yellow Jacket Band program has been the model of consistency for many years turning out fine music students. We would like your help to continue that tradition.

The self-discipline, determination, and diligence needed to perform and compete at such high levels are traits that carry over into intellectual pursuits that lead to a lifetime of effective study, work habits and produces young adults that have a positive impact on their communities. The St. Augustine High School Band relies on support from parents, faculty, student fundraisers and community support. Your Support!

We need your help! We cannot do it without your support!

The true measure of our success as the band boosters and music directors is to allow these fine young musicians students the opportunity to continue to grow musically and allow the St. Augustine High School Band program to mature and continue to develop into a great tradition for future generations in our community. The money raised will support the growth of the band programs, as we need to purchase additional instruments, repair and replace instruments, buy music, file competition fees, provide transportation, and provide for uniform replacement. Replacement of instruments costs between $1,000 and $20,000 dollars alone!

Please support the St. Augustine High School Marching Band with a TAX DEDUCTIBLE DONATION. For the following Sponsorship levels you will receive advertisement of your business. This advertisement will be viewed by a variety of crowds including, football games, soccer matches, Track Competitions and other community events held in the stadium for the entire 2019/2020 school year.

Your company logo, business card, or individual name can be placed as a band sponsor on our signboard that is on the northeast corner of Brumley Field, which can also be viewed from Varella Avenue.
